

FREQUENTLY ASKED QUESTIONS REGARDING MEMBERSHIP AT FAUQUIER SPRINGS COUNTRY CLUB

Are members required to sign or commit to any type of contract?

Although FSCC is a private club, there is no requirement for any time period commitment. The only requirement is that all memberships retain no less than 2 shares of stock in Sulphur Springs Investment Corporation. See below for further details.

Why do members need to own stock and is it refundable?

As a member owned organization, each membership has to have ownership in no less than two shares of stock. The purchased stock will be issued in the name associated to the membership. FSCC acts as an intermediary and has no ownership rights to the stock. Resigned members may sell their stock back to the club and will be notified when it is available for purchase back by the club. Resigned members have the opportunity to retain the ownership when it becomes available for sale. If chosen to do so, their name will go to the bottom of the list and be called again when FSCC has a need to purchase and sell it to another new member.

What is Junior Membership?

Junior membership is for families who are inclusively under the age of 35. Once the age of 35 is met by one of the members, the dues will automatically adjust to the current rate of their particular category of membership. Initiation and Stock purchase applies to this membership.

What is Legacy membership?

This membership is available to children of current members in good standing that are over 21 years of age and under 35 years of age. Upon turning 35, Legacy members will be charge full dues for their particular category of membership. Initiation is waived for this membership however stock purchase remains a requirement.

What is Corporate Membership?

Employees of a corporation may join the Club at discounted rates. After a primary member (authorized agent of the corporation) joins as a Full or Social member, up to 5 employees of the corporation may "buy in" by means of the reduced initiation fee under the Corporation's membership. Employees will not be required to buy/own shares.

Can I downgrade to a different membership?

Yes, however should you wish to reactivate your previous membership status within one year, back dues for the time period would be required.

Can I upgrade to a different membership?

Yes. Upgrades are permitted at any time and with no penalty.

Are seasonal memberships available?

No. FSCC does not offer an exclusive membership type that only allows for specific access for a specific period of time. Refer to seasonal pool pass information available for guests of sponsored members.

What is the guest policy for the pool?

Each member is permitted a maximum of 7 guests per visit. Any exceptions need to be approved by Club management. Members are charged \$10 per guest per visit; guests under the age of 4 are admitted at

no charge. Guests must be accompanied by their host member during their time spent at the pool. Guests must also be checked in by their host member and abide by Club rules. A member's childcare provider may attend the pool in lieu of the parents but may not use the pool and/or the Club facilities when not on childcare duty. When accompanying the children while in the presence of the parents, the standard guest policy and fees apply.

Are seasonal passes available for guests of current members to enjoy the pool?

Members can purchase a pool pass for extended-stay house guests for \$150 per person for the entire pool season or \$60 per person for one month of unlimited usage. Daily passes are charged at \$10 per day, per person. Pool guests under the age of 4 will not incur guest fees. Seasonal pass holders must be accompanied by a Club member, follow member rules and may not use any clubhouse facilities other than the pool and pool house. All charges will be billed to the host member's account.

Can a Social Member play golf?

Social members can enjoy golf on a limited basis. They can play once a month Monday through Thursday for free. All other days including holidays would incur a guest fee. Social members are not permitted to play in club sponsored tournaments. Access to the practice facilities are permitted. Participation on the FSCC PALS program is available for Social Members for one year only.

Can my guest play golf?

Guests are welcomed however will be charged the current guest fees and must be with the member. Guests living within a 50 mile radius of the club are limited to guest access once a month. Guest fees will be charged to the sponsoring member.

Can I bring a guest to the dining room or any special member dining event?

Yes, there are no guest fees. Charges can be billed to the members account or paid separately by the guest using any major credit card.

Explain the Food and Beverage minimum.

F&B minimums at FSCC are \$110 per quarter. This means that the membership needs to spend a minimum of \$110 per 90 days. Any remaining balance will be billed on the member statement. Applicable food and beverage spend includes all dining areas and events. Alcohol is not included.

Is there a dress code at the club?

In order to maintain an environment acceptable to all, FSCC does require that bathing suits and bathing attire be restricted to the pool area only. Golfers are required wear appropriate golf attire including men with collared shirts, shirts are to be tucked in and no cut off shorts or blue jeans are allowed. No tank tops, halter tops, blue jeans, cut offs and swim wear is permitted to be worn by the lady golfers.

What access does each membership have?

The attached chart notes access based on each membership type. Access applies to all members associated with primary membership account. No exclusions for different categories (individual, corporate, junior, legacy) within each primary membership.
